 Articulating 2-way adjustable headrest

Featuring supple top-grain leather on all contact surfaces and clean lines from every angle. The CE Series offers the best in handsome, European-inspired styling with a comfortable pillow top backrest and seat and exposed saddle-stitching detail. But what it gains in aesthetics, it certainly doesn't give up in substance as the CE also features an easy-to-use, self-weighting control mechanism that eliminates the need for inconvenient tension adjustment knobs. Style, value, comfort. The CE Series leads the way with all three in typical Office Master fashion.
